girls who
CODE
CLUBS

Want to learn how to build an app, design a video game, and change the world through code?

Join a Girls Who Code Club
at the Mountain View Public Library

What is Girls Who Code?

Girls Who Code is a national non-profit organization leading the movement to inspire, educate, and equip girls with the computing skills to pursue 21st century opportunities. Through our Summer Immersion Program and Girls Who Code Clubs, we aim to close the gender gap in technology.
